

## AMENDMENTS TO THE SPECIFICATION

Please replace the last paragraph beginning on page 6 and ending on page 7 with the following amended paragraph.

When the user registration is performed, a "user registration" button (to become (tentative) Award member) 34b of the access button 34 on the main menu screen in Fig. 6 is clicked (~~S3B01~~ S3D01). The user registration portion 16 opens the user registration screen and instructs the input of user's e-mail address and nickname to be used for display when winning(~~S3B02~~ S3D02). Once the input is completed in accordance with the instructions (~~S3B03~~ S3D03), the input is stored in the user registration file 22 (~~S3B04~~ S3D04). Then, the setting (SMTP) in the sending mail server in the user's terminal device is rewritten as the mail server of the server 10 (~~S3B05~~ S3D05).
